

PROJECT REPORT

Submitted to Government College of Engineering, Jalgaon in Partial Fulfillment of the
Requirements for the Bachelors of Technology Degree in
Computer Engineering.

Submitted By:

Ankush Patil
(1541039)

Guided By:

MISS CHETANA CHAUDHARI

DEPARTMENT OF COMPUTER ENGINEERING GOVERNMENT

DECLARATION

We hereby declare that the project entitled, **“ONLINE BOOK STORE-BOOKMAZA.COM”** was carried out and written by us under the guidance of **Miss Chetana Chaudhari**, Asst. Professor, Department Computer Engineering, Government College of Engineering, Jalgaon. This work has not been previously formed the basis for the award of any degree nor has been submitted elsewhere for the award of anydegree.

Place:Jalgaon

Group Members:- Ankush Patil (1541039)
 Manasi Patil (1541040)
 P.Saiutkarsh Naidu (1541036)
 Vijay Palwade(1541038)

ABSTRACT

This project is regarding online book store- BOOKMAZA.COM. In this project the user has the facility of shopping books and also search all the books of all possible genres on this website. The website helps proper exposure of all the varieties of books available in recent publishing of books. The website helps the users to get almost all the books here on the website through various payment mode of cash on delivery and online payment. Customer can track order.

Thus, this website is one of the good online mediums available in order for people seeking good website making books available online in pdf format or to let order at home and other services .

Conclusion

Hence, we have made a project in php,javascript,html,css,mysql languages of online book store, in which all customers can order recently published books as well as classics books available in the form of pdf. The website is more reliable, efficient, and fast result providing. Through such website anyone can check for books of their favourite genres.

Thus this website is one of the best website made available for purchasing books.
